Basic Emergency Procedures

GENERAL ACTIONS:
- Make an emergency call to appropriate campus authorities.
- Inform them that Assembly Area is at East Building: 10100 Hopkins Drive
  ➢ If emergency call Campus Police at 911 or 858-534-HELP (4357).
- Get your printed copy of this Emergency Action Plan with staff phone numbers and contact your supervisor/whomever else may be appropriate.
- Be prepared to gather keys and personal belongings.
- Get radios from red emergency bags (see below for locations).
- Communicate with the staff to clear and secure public areas.
- Communicate with the staff to clear and secure individual offices.
- Evacuate or lock-down, depending on type of emergency.

RESPONSE TO FIRE ALARM:
When a fire alarm sounds:
- Gather keys and personal items quickly.
- Secure your office, if able to do so quickly (close windows and doors in order to contain the fire).
- IMMEDIATELY leave the building by stairways to the Designated Assembly Area (see attached maps for your specific building).
- Stay in Designated Assembly Area for headcount and wait for emergency personnel to direct you.
- Do your best to make sure all your co-workers are accounted for.

EVACUATION:
State law requires occupants to evacuate to a safe location when a fire alarm sounds, or when ordered to do so by emergency response personnel.
- Call Campus Police at 911 or 858-534-HELP (4357) as you are leaving.
- Exit through the nearest exit, using stairways and avoiding elevators.
  Safely stop your work. Shut down any equipment that could be unstable or present a hazard.
- Gather your personal belongings such as glasses, medications, keys, purse, emergency kit and close, but do not lock doors as you leave.
- Assist anyone who needs help while evacuating.
- Move to the Designated Assembly Area (see attached maps for your specific building) for headcount.
- Do your best to make sure all your co-workers are accounted for.
- Wait to be released by emergency personnel. Everyone must go to the Designated Assembly Area before leaving campus to report three things: where you are going, how you are getting there, and when you are leaving.

BUILDING LOCK-DOWN:
- Remain calm, as the situation may be dynamic. Be prepared to make quick decisions that could save your life.
- Lock doors and turn off lights.
- Move away from windows (close blinds or cover windows, if you’re able to do so quickly).
- Try to give yourself access to an exit.
- Take your keys and personal belongings with you.
- Call Campus Police at 911 or 858-534-HELP (4357) and give as many details about the situation as possible.
- Silence your cell phone and remain quiet.
- Wait to be directed by emergency personnel.
REPORTING AN EMERGENCY:
When contacting authorities, calmly state:
- Your name and location of the emergency (building/room).
- Nature of the emergency; fire, chemical spill, etc.
- Any injuries.
- Any hazards which may affect responding emergency personnel.
- A phone number near the scene where you can be reached.

Specific Emergency Procedures

EARTHQUAKES:
- During heavy shaking:
  - Duck, cover and hold on.
    - Get under a desk, table or stairwell. If none are available, move against an interior wall, away from heavy equipment, and cover your head with your arms. Remain under cover until the movement subsides.
    - Stay away from large windows, shelving systems, or tall room partitions.
- After the shaking has stopped:
  - Survey your immediate area for trapped or injured persons and ruptured utilities.
  - Evacuate the building and move to the Designated Assembly Area (see attached maps for your specific building) for headcount.
  - Do your best to make sure all your co-workers are accounted for.
  - Stay at your Designated Assembly Area, and wait to be released by emergency personnel. Everyone must go to the Designated Assembly Area before leaving campus to report three things: where you are going, how you are getting there, and when you are leaving.
